SUMMARY

Third-year BCA student and aspiring MERN Stack Developer with hands-on experience building responsive frontend and full-stack web applications using React, TypeScript, JavaScript, Node.js, Express.js, and MongoDB. Strong foundation in Data Structures and Algorithms with 300+ LeetCode and 250+ GeeksforGeeks problems solved. Seeking a frontend or MERN Stack Developer internship or entry-level opportunity.

EDUCATION

Bachelor of Computer Applications (BCA) **2024 – 2027**
Alpine Institute of Management and Technology, Dehradun, Uttarakhand *Third Year*

TECHNICAL SKILLS

Programming Languages	C, C++, JavaScript, TypeScript
Frontend	React.js, HTML5, CSS3, Tailwind CSS
Backend	Node.js, Express.js, REST APIs
Databases	MongoDB, PostgreSQL, SQL
Tools	VS Code, Git, GitHub, Vercel, Postman

PROJECTS

Thumbnest – AI Thumbnail Generator

Live Demo

- Built a full-stack AI-powered thumbnail generation platform using React, TypeScript, Node.js, Express.js, MongoDB, and Cloudinary.
- Developed customizable AI thumbnail generation with title, prompt, visual style, aspect ratio, and color controls.
- Integrated an image generation API and Cloudinary for image processing, storage, and delivery.
- Implemented user authentication, session management, thumbnail history, preview, download, and delete functionality.

ICTCricinfo – Cricket Information Platform

Live Demo

- Developed a responsive cricket information platform using React.js, JavaScript, HTML5, CSS3, and Tailwind CSS.
- Integrated cricket APIs to display live, recent, and upcoming matches, scorecards, and match information.
- Implemented dynamic routing and reusable React components to create a responsive and interactive user experience.

RestroBooks – Restaurant Management Dashboard

Live Demo

- Developed a responsive restaurant management dashboard using React.js and Tailwind CSS with a modern user interface.
- Created reusable components and dashboard sections for managing restaurant-related information and improving usability.

ACHIEVEMENTS

- Solved **300+ problems on LeetCode**, covering arrays, strings, linked lists, stacks, queues, sliding window, and other DSA topics.
- Solved **250+ problems on GeeksforGeeks**, strengthening problem-solving and Data Structures and Algorithms fundamentals.
- Completed a **1-week Web Development Workshop** and received a certificate of completion.

SOFT SKILLS

Time Management | Public Speaking | Team Player | Quick Learner | Problem Solving
